

Tiny Tech Studio — Image 2.0 Poster prompts

Prompt - 1

Ultra-premium automotive poster design featuring a lime green Porsche 911 GT3 RS, cinematic sports car advertisement, professional Photoshop-quality composition with advanced image manipulation and graphic design fundamentals, minimalist luxury motorsport aesthetic.

Main composition includes two different angles of the same Porsche GT3 RS:

- a massive rear-view hero shot dominating the upper background with aggressive rear wing, glowing taillights, drifting smoke, motion blur, racetrack environment
- a smaller three-quarter rear perspective car placed in the foreground with perfect reflections, detailed body contours, glossy paint, realistic shadows and tire textures

Typography design is the core visual element:

huge stretched bold condensed sans-serif text “PORSCHE” vertically compressed and layered behind foreground car, neon lime-green typography matching car paint, semi-transparent overlay effect, modern motorsport branding style, subtle depth blending, premium kerning and alignment, typography integrated naturally into composition like elite Behance automotive poster designs

Top section contains small futuristic motorsport typography labels:

“POSTER DESIGN NO 19”

“PORSCHE GT3 RS”

“CAPTURE GLIDER”

clean evenly spaced alignment, subtle dark gray text, minimal Swiss-style layout

Bottom section includes:

official Porsche-style logo placement,
clean white informational paragraph text,
luxury automotive advertisement layout,
high-end editorial spacing,
professional hierarchy and grid system

Environment:

foggy racetrack atmosphere,
soft overcast cloudy sky,
cinematic smoke around rear tires,
subtle drifting action,
minimal muted background to emphasize vehicle,
slight motion blur for realism,
high-speed motorsport energy

Lighting:

soft diffused daylight,
realistic reflections on glossy paint,
studio-quality retouching,
subtle bloom around highlights,
high dynamic range,
premium commercial automotive photography lighting

Color grading:

desaturated gray environment with vibrant acid-green subject contrast,
luxury automotive campaign tones,
clean blacks,
soft whites,
high contrast but elegant finish,
premium magazine advertisement look

Graphic design principles:

perfect visual hierarchy,
balanced negative space,
professional alignment,
depth layering,
foreground-background separation,
clean composition,
modern poster grid system,
ultra-sharp details,
high-end Photoshop compositing,
advertising agency quality,
Behance featured poster aesthetic,
award-winning automotive graphic design style

Camera & quality:
